Awens to All:

There are soooo many Top Ten Lists around (especially on the David Letterman Show!) that I thought it should be about time for someone to compile the Top Ten Things that should be concidered Sacred to anyone who is Celtic Pagan in my opinion.

So here they are:

1 - Rede of Freedom of Will of Celtic Paganism.
2 - The Eight Sacred Sabbaths of Celtic Paganism.
3 - Sacred Henges of Celtic Paganism.
4 - The Sacred Labyrinths of Celtic Paganism.
5 - The Four Sacred Quarters of Celtic Paganism.
6 - The Four Sacred Elements of Celtic Paganism.
7 - Restorative Justice.
8 - All Natural Lifeforms.
0 - A Child's Samhain/Halloween Candy Sack.
10 - And Good Words of Wisdom.

1 - The Celtic Rede of Freedom of Will, Whilst Harming None should be the Foremost Sacred Thing of all Celtic Paganism in my Opinion.

2 - The Celebration of the Sacred Sabbaths is important to pay Homage to the Sacred Eight Spoked Wheel of Life which is the Celebration of our Earth going around the Sun every 365 Days of the Year.

3 - All Circular Henges, whether they be Natural Cycles of Nature or Manmade should always be concidered Sacred.

4 - The Labyrinths are always concidered Sacred, the Most Famous being the one that surrounded the Glastonbury Tor.

5 - The Sacred Quarters being the Sacred Watchtowers of North, East, South and West.

6 - The Sacred Elements of Earth, Air, Fire and Water for All Life consists of them all.

7 - One should always Strive for creating Restorative Justice as Punitive Justice creates more Bad Karma that creates a Cycle of Harm that keeps on Returning over and over.

8 - All Natural Lifeforms should be concidered Sacred as it is made by the Natural Forces of Nature. All Artificially Created Lifeforms should be excluded such as what has been Created by Humanity's Interference in Genetics, Cloning, and Selective Breeding.

9 - Offerings to a Child's Candy Sack on Halloween is considered as an Offering to the Sacred Spirits of Life and should never be Interfered with.

10 - Good Words of Wisdom should be considered Sacred, no matter from who is comes from regardless of their Standing in the Tribe.
